<b>Building Renovations and Improvements By School</b>
(OG) Replace double door at Admin entrance
(OG) Replace transformer in PE building
(OG) Install roof hatch access at Bldgs. 700 and 400
(OG) IT electrical outlets in each classroom
(OG) Add lighting south of MPR
(OG) Replace roof, Bldg. 700
(OG) Re-carpet and refinish floors
(OG) Refinish and/or replace millwork and countertops
(OG) Interior renovations (paint, ceiling tiles)
(OG) Replace four set of double doors inside MPR
(OG) Subdivide Art Room into two spaces
(OG) Renovate boy's and girl's locker rooms
(OG) Renovate student restrooms
(OG) Relocate partition in band room to enlarge rehearsal space
(MZ) Recoat kindergarten, MPR, library and admin. roofs
(MZ) Renovate student restrooms
(MZ) IT electrical outlets in each classroom
(MZ) Repair and replace counter tops
(MZ) Interiors - new floor coverings, ceiling tiles, and interior paint
(MZ) Install HVAC in health office room
(MZ) Renovate computer lab to classroom
(MZ) Replace plumbing fixtures in countertops
(MZ) Replace exhaust fans in restrooms
(ELC) Emergency lighting battery pack replacements
(ELC) New Interior paint
(MAC) Storm drain improvements
(HS) Fire Sprinkler System and alarm improvements
(HS) Exterior security gates - three additional crash bar exits
(HS) Replace AC unit at electrical room, Bldg. A
(HS) Select door and window replacement
(HS) Update intercom systems
(HS) Add intrusion alarms
(HS) Rekey school - manual door lockset replacement only
(HS) Additional to rekey school with electronic key system
(HS) New camera security system
(HS) Facilities office - heat pump and evap. cooler
(HS) Exterior walls - water proofing and joint sealing
(HS) Upgrade theater and auditorium lighting system, audio system, rigging
(HS) Resurface auditorium stage floor
(HS) Band room instrument locker replacement
(HS) Seal/sand gym floor
(HS) Replace carpeting, refinishing floors throughout campus
(HS) Repaint interior walls throughout campus
(HS) Renovate student restrooms- new mirrors, partitions, and lavatories
(HS) Interior renovations, replacing countertops and refinishing millwork

(HS) Sound system for stadium
(HS) Wrestling room - replace wall and floor mats
(HS) Weight room - replace existing wood doors with hollow metal
(HS) Gym - duplicate set of wrestling mats
(HS) Replace ceiling tiles throughout
(HS) Roof recoating at facilities bldg. only
(HS) Renovate locker rooms & training room: finishes & fixtures
(HS) Reconfigure serving lines to increase efficiency and reduce theft
(HS) Add floor drains at emergency shower units in science classrooms
(HS) IT electrical outlets in each classroom
(SD) Restoration, restroom & MPR renovation, exterior painting, new door hardware, Kiva concrete, Kiva shade structure
(SD) IT electrical outlets in each classroom
(SD) Interior renovations - carpet, paint, ceiling tiles, wood ceilings
(SD) Repair and replace millwork and countertops
(SD) Shingle roofing repair at 8 pods
(VV) Upgrade custodial closets
(VV) Reseal masonry
(VV) Replace intercom console unit
(VV) Reroof MPR and replace skylights
(VV) Interior Renovations - repainting, new floor finishes
(VV) Reseal all upper decks with coatings
(VV) IT electrical outlets in each classroom
(VV) Repair/recoat roofs (allowance)
(CV) Replace fire alarm panel
(CV) Replace playground equipment set at northwest playground
(CV) Security office enhancements - lockdown alert
(CV) Recoat/repair select roofs (allowance)
(CV) IT fiber backbone replacement
(CV) IT electrical outlets in each classroom
(CV) Refurbish/repair millwork and countertops
(CV) Interior renovations - repaint interiors, new flooring, replace ceiling tiles
(EC) Replace intercom/bell system console
(EC) Replace/repair millwork and countertops
(EC) Reseal masonry walls
(EC) Interior renovations - new carpeting, interior paint
(EC) IT electrical outlets in each classroom
(EC) Renovate restrooms
(EC) Recoat select roofs
<b>Improvements to Grounds By School</b>
(OG) Baseball/softball/soccer field renovations
(OG) Replace irrigation pump for fields
(OG) Replace tennis courts with post tension slab
(OG) Field fence improvements (back stops, track, etc.)
(OG) Resurface track and address exposed tree roots
(OG) Improve access from parking lot to fields
(OG) Expand irrigation system
(OG) Resolve flooding issues at Bldg. 300
(OG) Remove and replace asphalt in parking lots
(OG) Modify curb at bus bay to facilitate easier turning
(MZ) Add 4 Square Court

(MZ) Replace low chain link fence along south back section
(MZ) Address eroding bank from upper to lower playgrounds
(MZ) Replace asphalt in parking lots
(MZ) Replace playground equipment
(MZ) Install new seat wall at kindergarten
(ELC) Replace artificial turf on playground
(ELC) Seal coat parking lot
(MAC) Repave parking lot
(MAC) Repair concrete curbing
(MAC) Provide lighting for bus yard
(MAC) Pave bus yard
(HS) Sidewalk repairs throughout campus
(HS) Fencing to separate stands from fields
(HS) Stair addition in middle of bleachers
(HS) Improve athletic fields
(HS) Resurface running track
(HS) Install lighting at multipurpose field
(HS) Restore irrigation at the perimeter and inside the campus
(HS) Resurface long jump track
(HS) Replace deck tile in Plaza
(HS) Provide erosion protection throughout campus
(HS) Parking lot seal and coat
(HS) Provide ADA access to first tennis court
(SD) Seal coat parking lots
(SD) Renovate small playfield at NW
(VV) Change exterior lighting - building and parking lots to LED
(VV) Clear all storm drain lines
(VV) Replace broken sidewalk on east
(VV) Redesign bus drop off/pick up area - replace asphalt, add shade canopy
(VV) Cover exposed tree roots, reroute drainage to mitigate erosion
(CV) Remove and Replace asphalt in parking lots
(EC) Provide erosion control at canyon and surrounding areas
(EC) Replace tennis courts and backboard
(EC) Resurface track
(EC) Improve access to and renovate fields
(EC) Reconfigure parking lots and drive and signage, replace asphalt
(EC) Reestablish irrigation
<b>Energy Efficiency Upgrades By School</b>
(OG) HVAC Replacement at Bldgs. 200 & 400
(OG) Plumbing - hot water heaters
(OG) Parking lot lighting improvements
(MZ) Water heater controls
(MZ) Replace two AC Units on CARE
(MZ) Plumbing and HVAC repairs
(MZ) Convert parking lot lights to LED
(MZ) Add supply air sensors in ductwork
(ELC) HVAC / plumbing repair and replacements
(ELC) Provide gas line on roof for future gas heat pumps
(ELC) Replace parking lot lights with LED
(MAC) Water heater controls

(MAC) Replace HVAC and EMCS systems
(HS) Plant controls and upgrades
(HS) Central plant energy improvements
(HS) Air handler controller replacement
(HS) Replace 2 Chillers
(HS) Install and repair variable frequency drives (VFD)
(HS) Replace air handler water control valves
(HS) Refurbish 33 air handlers
(HS) HVAC piping flex connector replacement
(HS) Replace HVAC plumbing
(HS) Retrofit exterior lighting to LED
(HS) Retrofit Interior lighting
(SD) Replace 11 HVAC units Including EMCS controls
(SD) Replace water heaters
(VV) Replace exhaust fan units
(EC) Parking lot LED lighting improvement
(EC) Replace select existing HVAC units (allowance)
